Gr 5-8-Focusing on different soccer teams, these books all open with the same overview of the sport, followed by an outline of historic events, such as the Spanish Civil War and World War II, that have shaped the team's history. FC Barcelona and Real Madrid's intense rivalry has its origins in 1714, when those loyal to King Philip V conquered Barcelona. The dense prose is balanced by well-labeled photos, time lines, and short biographies of outstanding players. VERDICT North American soccer fans will welcome these serviceable additions.
