How about figuring out how to become a shark? How to intimidate those who challenge you? This book doesn't provide you with just one tip! Not just two! It doesn't stop at giving you the strength for you to walk out with a fatter wallet than when you went in! Stop playing children's games, and begin learning what you need to take money to the bank! Take action now, and dive right into poker! One last thing: Don't worry - we cover the basics, too. For anyone just learning the game, all the rules and terms are provided!
