Sun, Steins And Steckerlfisch - 125 Beer Gardens In Munich (Insiders' Guides Book 3)

Synopsis

You're not here for a long time, just a good time and Insiders' Guides show you how. This is a must have volume for anyone really wanting to make the most of their summer holiday in Munich. So many beer gardens, so little time! On a lovely day there is no better place to soak up the atmosphere of Bavaria's laid back culture than in one of Munich's many beer gardens, with in total, over approximately 180,000 seats. Either in the sunshine or under the shade of the chestnut trees, you can sit back and relax in a beer garden as small as a couple of dozen seats or enjoy the buzz of the larger gardens that can accommodate thousands. Sun, Steins and Steckerlfisch includes details of over 125 beer gardens for you to see as well as information about the different beers to drink and what food to eat. The author has worked in Munich and for over the past 15 years has visited Munich several times a year, so she knows this subject well. All information has been gathered personally, not found on websites such as Wikipedia, that's what makes the Insiders' Guides unique. Many people say that beer garden culture represents the true Munich way of life, therefore I say to you: "Live the Life, Love the Life." Revised and updated for the 2014 Beer Garden Season
