Depositions In A Nutshell (In A Nutshell (West Publishing)) (Nutshells)

Synopsis

This book provides comprehensive descriptions and concrete illustrations of effective strategies and techniques for taking and defending depositions. The book can serve as a text for a 2-4 unit stand-alone depositions course (either live client or simulated) or as a supplement to a civil pre-trial lawyering course. The book devotes separate chapters to such fundamental skills as obtaining helpful answers to critical questions, undercutting harmful testimony, obtaining a deponent's version of significant events, and obtaining information from evasive deponents. Other chapters include topics such as responding to inconsistent or implausible testimony, overcoming opposing counsel's objections and obstructionist tactics, and preparing a client to be deposed.

Book Information

Customer Reviews

This book accomplishes what its title proclaims. It gives a very good concise summary of the basics of the deposition process. The book provides a good explanation of the Federal Rules of Civil Procedure that govern federal depositions and matter-of-factly discusses strategies for taking and defending a deposition. The book is very clearly written with an excellent table of contents that helps you find a specific topic quickly.
