Missouri Curiosities, 2nd: Quirky Characters, Roadside Oddities & Other Offbeat Stuff (Curiosities Series)

Synopsis

The Show Me State has lots to be proud of--the Pony Express, Mark Twain, the International Bowling Museum, a billion-gallon underground lake to name just a few. Everything has a story. With Josh Young at your side, enjoy a hilarious tour of Missouri, where there's a law against worrying squirrels and a museum celebrating "the unexplained."

Your round-trip ticket to the wildest, wackiest, most outrageous people, places, and things the Show Me State has to offer! Wander with tigers at the world's only big cat bed-and-breakfast; browse through America's only corncob pipe museum; and swim in the world's largest underground lake. Meet some crazy catfish-catching noodlers; a wacky-artwork-welding artist; and a pint-sized, punch-packing former wrestling champ. Discover the fun of swinging sausages while you dance; dining on crawdads in a cave; and dueling it out with dinosaurs; you'll roar with delight! Whether you're a born-and-raised Missourian or a recent transplant, author Josh Young will have you laughing out loud as he introduces you to the neighbors you never knew you had and takes you to places you never knew existed; right in your own backyard.

Josh Young's newspaper column, Dang Near Native, has garnered awards in the humor category from the National Newspaper Association two years running. When not roaming the state enjoying

the offbeat, Josh may be found at home at his Long Creek Herb Farm, on the Arkansas border.

Arrived in good packaging Fascinating places to visit in Missouri.

I'm glad I ordered this book. To "outsiders" Missourians say & do things that seem odd to them. We are just "homey" & harmless. You might even love us & accept us if you came & stayed awhile. Our forests & water ways are beautiful, we love & treasure nature, so be tender as you look & learn. Book arrived well packaged, on time & treasured.

I bought this book because I was moving to Missouri and wanted to check out some of the non-tourist sights. It was a great read! Definitely worth checking out!

Very informative.

the old one has been broke in my family , it is recommend. just fine, very nice . I have bought several Bread products recently as I have started to make homemade bread. This product was reasonably priced and does an excellent job slicing our bread thick or thin. A buyer should not be fearful that this product is below par - very good product at a good price! Don't be afraid, just order the product and enjoy your bread.

You're better off using the index in this book than browsing it. The subheads are supposed to be cute but they are not helpful. It would have been better to list the name of the place, nearest town, and hours if applicable than to give it some unclever title. You have to read through the information to find what exactly the curiosity is. It's annoying and detracts from interesting information provided. Off the Beaten Path: Missouri by Patti DeLano is less quirky (although it has some oddities listed) but covers more travel information and is easier to read.

Not so much a travel guide as a collection of the sites and events that show why Missourians love their home state. Missourians can have a good time without spending a fortune and are lighthearted enough to laugh at themselves. Not a book to simply read, this is a book to own. I pull it off the self time and again to see what near-by and affordable entertainment is coming up. With our tough economy these days, Missouri Curiosities is a good planner for weekend getaways.
