Carolyn Berghuis's bestselling book *Understanding the Jesus Code* helps individuals tap into their own unique purpose, while guiding them through a discovery process to their heart, abilities, past experiences, and spiritual gifts. In this eye-opening, empowering, and liberating book, Carolyn teaches individuals how to uncover God's most powerful and effective means of advancing his Kingdom by seeing how a person's personal blueprint is filled with love, and has little room for fear. Review by Ingrid Klarstrom

Dr. Carolyn has developed an amazing method for emotional healing. Our heavenly father is front and center in the family constellation work and he guides the process and the healing. This book explains how to heal with God's help through family constellation work. The L.I.V.E. retreats are extremely powerful and are life changing and should be strongly considered!

Carolyn does a beautiful job taking us on a faith-filled journey from darkness to light, sharing personal experiences and proven methods along the way. For anyone who has experienced suffering, this book is a wonderful guide to help you unlock your greatest potential and to live your life FULLY ALIVE!

The author gives simple and powerful teachings that we can apply to our everyday lives. I love the part about "I am not good enough" and how often we sabotage our own success. If you practice what Carolyn says, your life would transform!

Carolyn helped me understand myself, who my family is and why they are the perfect family for me. Truly a book inspired by Christ!

Been a long time since I've read some of those prayers - would like to have seen them organized differently

I truly enjoyed this book. It was an excellent read!

Beautifully written!
