Customer Reviews

I'm adding this review after reading the only one currently present. The other reviewer wrote that, "the content was better suited to artists...." This is a priceless little volume that has some very nice traditional Indian verse presented with paintings of historic war shields. This is wholly artistic, but not meant for artists or directed solely at artists. This is a soulful book that has been out of print for several years. I first had a copy 20 years ago and lost it in Hurricane Katrina. Recently I bought a half-dozen used copies and kept one and gave the rest as gifts. This is a priceless little treasure.

The book was in new condition when it came, which was even better than advertised. The content was better suited for artists than myself but that is no judgment of the product.
