Manson's Tropical Diseases E-Book

Synopsis

From the difficult to diagnose to the difficult to treat, Manson's Tropical Diseases prepares you to effectively handle whatever your patients may have contracted. Featuring an internationally recognized editorial team, global contributors, and expert authors, this revised and updated medical reference book provides you with the latest coverage on parasitic and infectious diseases from around the world. Consult this title on your favorite e-reader, conduct rapid searches, and adjust font sizes for optimal readability. Incorporate the latest therapies into your practice, such as recently approved drugs and new treatment options.
