Dr. Robert E. Van Voorst is Professor of New Testament Studies at Western Theological Seminary in Holland, Michigan, and former professor of religion at Lycoming College in Williamsport, Pennsylvania, where he was named Teacher of the Year in 1995. He has served as a visiting professor in Oxford University and Zhejiang University in China. Van Voorst has written frequently on religious studies in noted journals and reference works. In addition, he has authored numerous books, including six with Cengage Learning: RELG: WORLD, 4th Edition; READINGS IN CHRISTIANITY, 3rd Edition; ANTHOLOGY OF WORLD SCRIPTURES, 9th Edition; ANTHOLOGY OF WORLD SCRIPTURES: EASTERN RELIGIONS; ANTHOLOGY OF WORLD SCRIPTURES: WESTERN RELIGIONS; and READING THE NEW TESTAMENT TODAY, now also in a Chinese version. Other books by Van Voorst include BUILDING YOUR NEW TESTAMENT GREEK VOCABULARY, 3rd Edition; THE ASCENTS OF JAMES, a recovery and commentary on a second-century Jewish-Christian document; and JESUS OUTSIDE THE NEW TESTAMENT, an examination of traditions about Jesus in ancient classical and Jewish documents, now also in Italian; and COMMONLY MISUNDERSTOOD VERBS OF THE BIBLE: WHAT THEY REALLY MEAN.

I bought this book for a university course and found it to have an interesting selection of scripture

from various religions around the world. I would recommend it as an introduction book.

This was a textbook for my World Religions college class. It did well serving its purpose as a college textbook.

The book had a few stains on it. I hope they are coffee stains. The out side of the book was in good condition.

This book arrived ahead of schedule, which was great! But I bought this book listed as "Used-Like New." I was sadly disappointed. The cover and pages showed substantial wear, discoloration on the outer edges of the pages from finger oils, and a page was dog-eared. The content of the book is fabulous - I had purchased this to actually replace one I'd given away as a gift. As a graduate of seminary, this was one of the books we used frequently as we compared multiple belief systems.

I bought a used version for a college class but eventually found a free pdf version of it on google. I'd recommend getting the book if you're someone who likes to highlight in person, but if you'd rather highlight in pdf format, then find the free version. The material in the book was pretty interesting and definitely opened up my eyes to what other cultures are like. Scriptures are sometimes hard to understand but I'm sure your professor or teacher can help.

Holy cow! There is so much packed in this book! You certainly learn a lot about different religions. It's awesome!

Chapters are broken into subsections like "Traditions," "Ethics," etc. Full of stuff you didn't know about other religions. A must-have.

The book is just as it is described. But what I love best is how quickly the book was delivered. I don't mind that there was a lot of highlighting and water marks since I just needed it for a semester and I could still read the information.
