Customer Reviews

Secrets of the Dark Closet was a captivating read from beginning to end. Gayle Larson Schuck takes the reader on a beautifully crafted story of her grandmother, Bessie. As you travel along the life of Bessie from an eleven-year-old girl in 1899, through her struggles and family shame, you will be drawn into her life and not want to leave until you finish her story. I highly recommend this novel and believe it is compelling and appropriate for the Youth/Coming of Age genre as well.
