Lonely Planet Burmese Phrasebook (Lonely Planet Phrasebook: Burmese)

Synopsis

Lonely Planet: The world's leading travel guide publisher
Creaky high tones and aspirated consonants have never been so easy! Nor has requesting your favourite song at a karaoke bar, chatting to a monk, or bargaining with your cabbie. With our easy-to-use phrasebook to guide you'll be talking up a storm with the locals in no time. Two-way dictionary Guide to pronunciation and phrase-building New sustainable travel vocab section Useful tips on Burmese etiquette Lonely Planet gets you to the heart of a place. Our job is to make amazing travel experiences happen. We visit the places we write about each and every edition. We never take freebies for positive coverage, so you can always rely on us to tell it like it is. Authors: Written and researched by Lonely Planet, and Vicky Bowman. About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, as well as an award-winning website, a suite of mobile and digital travel products, and a dedicated traveller community. Lonely Planet's mission is to enable curious travellers to experience the world and to truly get to the heart of the places they find themselves in. TripAdvisor Travelers' Choice Awards 2012 and 2013 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia)

Best Sellers Rank: #1,677,625 in Books (See Top 100 in Books) #78 in [Books > Travel > Asia > Myanmar](#) #275 in [Books > Travel > Asia > Vietnam](#) #1080 in [Books > Travel > Reference > Phrasebooks](#)

Customer Reviews

National Geographic Traveler, September 2006'Lonely Planet Phrasebooks. Portable, pocket-size, cheap, and available for almost any country you might want to visit...' --This text refers to an out of print or unavailable edition of this title.

LONELY PLANET aims to cater for every independent traveller, whatever the destination, whatever the style of travel and whatever the phase of the journey.

Here's what it comes down to: If you're going to Myanmar (Burma) and don't have a phrase book, then get this one and tell everyone else you're going with to get it!! I lived in Myanmar for a while and found this quite useful, especially back when I knew only a few words of Burmese. I would stumble through and try to pronounce the text and fail miserably (though not the fault of the book as they do a good job trying to discuss pronunciation). Then I would point to the word or phrase in the book. The person I'm "talking" with would then stare at the page for a moment, see the Burmese script, then understand what I was trying to say. Now that I can do basic conversation and basic reading/writing, I've found it to be a good resource to keep on hand. So, if you're going to Myanmar/Burma, take this phrasebook along. You won't regret it, even if you do have to point to the text because of poor pronunciation!! My only complaint is additional phrases should be included to make it as comprehensive as other Lonely Planet phrasebooks. By the way, just about everyone I showed this phrasebook to wanted a copy so they could learn more English. You might even want to order a few extra to give away.

WARNING!! There is no substantial difference between the 3rd and 4th editions of the Burmese phrasebook. Calling it a new edition is a bit of a misrepresentation. The page numbering, titles, subtitles, phrases, and dictionaries are unchanged, only the 4 pages on whether to visit Myanmar at the end of the 3rd edition has been replaced by 3 pages of sustainable travel phrases by San San Hnin Tun in the 4th edition. So if you have the 3rd edition, save your money. If you don't, then buy the 4th edition.

The book could be a little more clear about pronunciation. Since it's my first trip to Burma and I've never heard these words spoken, I feel a little underprepared.

Travelling to Myanmar shortly and will be so good to greet people in a little of their language and converse if at all possible with some local people

This book is clearly written and helpful. I intend to use it on my trip. I would purchase other books by the same author.

Since the U.S. has accepted over 15,000 Burmese Chin refugees, these phrase books can help teachers teach them English more quickly.

This phrasebook, published by Lonely Planet, is geared toward travel to Burma. Travel to Burma puts money in the pocket of the Military Regime and not the suffering people. This is good for beginning to learn conversational Burmese.
