Feeding The Savage

Synopsis

Sybil's small village is conquered by the Brardothians, or who many like to call the "SAVAGES." Men are killed, young boys are taken prisoner, and the most nubile women of the village are stripped and lined up for the the leader of the Brardothians, Zoltan, to make his choice. Being the most beautiful and well endowed of all the women in the village, Sybil gets chosen. Now Sybil must answer to all Zoltan's demands, even if it means letting him feast on her MILK LADEN BREASTS.
