Synopsis

Four months ago, Rebecca Pendle's husband disappeared. So did 14-year-old Kayleigh Jackson. Just a coincidence? Rebecca wants to believe so. But as the police start to draw parallels between Chris and Kayleigh, it's getting harder for her to trust his innocence. Reported Missing is a good read. I truly liked the storyline & the characters. This book represented the compromised actions of it's younger characters as foolhardy in their devious actions.....& quite well defined the central character of Rebecca. As the story played on out the book was brought to a good ending status. I would recommend this for reading to my friends.

well written and I couldn't put it down.

A nonstop read. Couldn't put it down

But I was expecting to find out what happened to her husband??Otherwise I really like the main character and descriptions of the area she lived

Couldn't put this book Down. Awesome book with many twists and turns. Looking forward to reading more of her books.

A bit unrealistic.

Decent read but I found it slow at times.

There was no closure for me in this book. I wanted it and that is the only reason I kept reading it.
