## Synopsis

Part one ended with Fawn at the abortion clinic and Future jacking her up. Fawn felt like the timing wasn't right and her and Future weren't ready to be parents, but Future wasn't having it so he went to the clinic to stop her. Was he too late? Future is forced to go away and comes back home to a lot of changes. Will he and Fawn be able to continue where they left off? In part two, Fawn's best friend Shamika and her husband Derrek faces issues of their own. Derrek wants a baby and Shamika makes it her business to take her birth control every morning, until she wakes up one day and Derrek has disposed of them. Their issues lead Shamika in the arms of another man and gives him the only thing Derrek asked of her. So much laughter, drama, and too many secrets. Which couple will make it through the storm?

## Customer Reviews

Part 1 was a good read but I noticed some of the information in book 2 does not match. For example Future first said he believed Tink was a hoe because she didn't work and place was nice

however when her and Fawn were arrested he knew Tink bailed out because her parents were lawyers. Then Tink goes over her story about how her father died in jail and her mother overdosed when she was 18 so she was out on her own and didn't attend the funeral. But during Fallen's party the book says Tink's mom pulled her from the argument with Future... Then there's Derek and... never mind, again there were so many errors I felt it was two different authors writing this story.

I chose this rating because of all the action and excitement from the couples. I'm just glad that Tink is doing time, I know that she needs help but she never tried to get any professional help. I hope that she has TO do many years before she can get out, but most of all I hope she can get some help and reevaluate what she did and find Jesus while in and come out a new and happy person and learn to help herself. I HOPE that Shamika and her husband can get back their happy with the baby and all. Why would snake bring back his crazy self back after all this time? How you going to run a business without a gun somewhere in your office, it should have been a piece in the safe when its needed.

Why not give this book a five stars. Thank you Lee Nicole for write a sizzling hot book that follows perfectly where you left off in part one. I'm happy that Fawn and Future was able to work it out and Fawn didn't move on, I know Future going get Fawn A\$\$ pregnant again. He already said he want babies with his wife. So why not. I hope everything works out for Shamika onetime thing cheating A\*\*. Future about to bring havoc to Snake bi#%! A\*\*! I'm just predicting Part 3 don't mind me. I be waiting to one click on Part 3

Dang I like big A. He was cool as ice. I hate he is dead. The old future going to paint that city red until he find snake a\*\*. I'm glad tink got what she deserved. How can you even think of cutting someone breaks when theirs a possibility that your child may get in that car, stupid. Now the same women is raising your child. Shamika was so wrong in every way. I just hope she got the dates wrong and the baby is her husband. I need part 3 asap.

I'm so glad Future came out for whatever spell Tink had him under and started using his head on his shoulders. I kinda figured Tinks child would be his but that didn't keep me from hoping it wasn't lol... Then she went off the deep end but Karma came around and caught her quickly. That cliffhanger has me sad, he was a good person.

You always nail this books Everytime I just can't wait for part 3 to come I know it's coming soon . I just can't believe Big A is dead and I know that once Future tell Fawn and Shanika they is going take it hard cus they was best friend. I hope that Future catch up with Snake before he come after bim.

Glad Future and Fawn started a family and Tink helped add to it. Glad they got Fallen sink Tink only wanted Future....Shamika WS weak to cheat even though it was Deredk co worker with no protection. Sad for Big A to be killed but I know Future will revenge this.....

I can't even believe that you had Big A go out like that, but I guess that's the only way to shake something up to bring back out the savage in Future. Can't wait to see the drama unfold in Part 3. Hope Derrek and Shamika get thing back in the right track..
