My teen-aged son has been an Adoration of the Blessed Sacrament Guardian-Adorer for several years now. He often uses this little book to keep his mind "on track" during the hour of silent prayer. I have often loaned it to other children when coming to Adoration with us; they always have a good remark after the hour long silence is over. One might think that kids would find Adoration boring - not so! I find they have a better adaptation to the practice than adults. This little book is good for any age to begin or to continue a personal, familiar prayer life with our Lord Jesus Christ. Highly Recommend.

Great Book!!

My mom has this book. Skimming through it, brought me a different perspective towards Jesus.

Excellentlly motivates reflection and meditation.

Not what I expected...
