This is indeed a map of JAX (Jacksonville, FL). However, it is not very usable. The design of the map is at flaw. Rather than capturing the majority of JAX on one side, the printers made it so that half of JAX is on one side, half on the other. If they had printed it horizontally, rather than vertically, one would be able to view all of JAX on one side of the map. The map is an absolute no for wall or flat hanging. A yes perhaps if you enjoy driving, unfolding, turning back and forth, etc. while driving. What a shame!
