The Expat Guide To Living And Working In Delhi (Expat Arrivals)

Synopsis

The Expat Guide to Living and Working in Delhi is written by local experts specifically for people moving to Delhi and expats who have recently arrived. Our goal is to provide you with accurate information to make your transition more successful and less stressful. This concise, relevant guide contains information on: - Accommodation – how to find housing and which areas to choose- Culture Shock – dealing with cultural etiquette and what to expect from local people and other expats- Doing business and working in Delhi – a guide to etiquette and local business practices- Banking, Money and Taxes – how to open an account, how tax works- Cost of Living – an up-to-date guide to everyday prices, including a basket of goods- Pros and Cons – local views on the ups and downs on expat life- Healthcare – hospitals, clinics and medical insurance issues- Working – employers, permits and visas- Useful Facts- Education and Schools – where to send your children to schoolUse this guide to find the answers to questions you have about organising housing, finding the right school for your little one, negotiating your contract and making that all-important first friend. After all, the right kind of preparation is paramount to a successful move.

Customer Reviews

This guide is really useful for anyone moving to Delhi or just going for a short business trip. It is quite a short guide, but is full of essential information like how to do business with Indian people, where to rent, where to meet other expats etc etc. It is obviously written by people who have lived in the city for a while and all the information was right up-to-date.
