Customer Reviews

Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.

This Belfast NI guidebook is aimed primarily at folks on an expense account. If you like the New York Times' Sunday travel section feature "36 hours in", you'll love this: glossy photographs of all the "best" hotel rooms and of the most chic restaurants; and to get from one place to another, you should take a taxi. Also: why 12 blank pages for notes, drawings, or whatever? I must admit, though, that the examples of modern architecture which the book's pictures show make me curious to see some of them for myself.
