# 100 Things Blues Fans Should Know & Do Before They Die (100 Things...Fans Should Know)

## Synopsis

Covering the entire 45-year history of the Blues, author Jeremy Rutherford has collected every essential piece of Blues knowledge and trivia, as well as must-do activities, and ranks them from 1 to 100. Most Blues fans have taken in a game or two at the Scottrade Center, have seen highlights of a young Brett Hull, and are aware that the team is named after the famous W. C. Handy song "Saint Louis Blues". But only real fans know who scored the first goal in franchise history, can name all of the Blues players whose numbers are retired, or can tell you the best place to grab a bite in St. Louis before the game. *100 Things Blues Fans Should Know & Do Before They Die* is the definitive resource guide for both seasoned and new fans of the St. Louis Blues.

## Customer Reviews

Jeremy Rutherford has covered the Blues for the St. Louis Post-Dispatch since 2005. His popular Morning Skate Blog is fans' go-to source for the latest news on St. Louis's NHL team. Rutherford previously hosted a radio show on KFSN 590 AM with former Blues tough guy Reed Lowe. He lives in Imperial, Missouri. Brett Hull played for six NHL teams from 1986 to 2005 and is the former executive vice president of the Dallas Stars. He was inducted into the Hockey Hall of Fame in 2009 and the St. Louis Blues retired his No. 16 jersey. He lives in Dallas, Texas.

Blues fans have suffered for nearly half a century without a Stanley Cup parade -- we've witnessed a lot of high highs (Hullie's 86, Pronger's MVP, the Monday Night Miracle, the entertaining antics of

Bobby Plager in his many roles with the club) and low lows (Bob Gassoff's tragic death, the Bill Laurie era, Keenan's treatment of Joseph and Gretzky, etc.). Jeremy Rutherford goes "top shelf" with this great book covering so much of the Blues' history. I would highly recommend this book to all Blues fans -- young, old, and in between.

I purchased this book for my father for Fathers Day. He is a huge Blues fan and was so excited to receive it. He is in the middle of reading the book and cannot wait to find out what is next.

The stories in this book are a delight for any Blues fan. The book is filled with backroom and behind the scenes tales you will be happy to see all in one place. The title is odd (what should Blues fans do before they die?) but you will enjoy the stories.

As a life long Blues fan and personally knowing many of the players from the 70's, this really brought back great memories and brought to light somethings I did not know, reading it for the second time. If you are a Blues fan this is a must read.

My son loved this in his Christmas bag full of St. Louis Blues goodies.

I'm from South Georgia. I don't care about hockey or St. Louis. I bought this for a coworker for Christmas. Looked like a descent book, though.

This was a gift for my husband, who is a huge Blues fan. He said he really enjoyed it as it was an in depth look at some personal as well as business happenings with the Blues over the years.

Fantastic book. It's a great read for die-hards and casual fans alike. Rutherford really captured the essence of what it means to Bleed Blue. Hope to read more from him in the future
