Customer Reviews

Maxine has a keen eye for the absurdities of daily life. While most of us just take a deep breath and move on, Maxine's on a mission to yell it like it is. Finally, someone to speak on behalf of all of us!

The 2018-2019 does not have the elastic band that previous Maxine Pocket Planners had -- and which I found to be VERY helpful. Also, the format of the calendar (months) now appear in landscape format, as opposed to portrait format. I can deal with that, but I am extremely disappointed about the lack of plastic cover and the lack of an elastic band to keep the calendar closed when not in use. If you liked the previous format, you won't like this new format.

Was disappointed no plastic cover on this one -- 2016-2017 had plastic cover with elastic band to keep papers in calendar - much better
