Half Truths Leader Guide: God Helps Those Who Help Themselves And Other Things The Bible Doesn't Say

Synopsis

They are simple phrases. They sound Christian—like something you might find in the Bible. We’ve all heard these words. Maybe we’ve said them. They capture some element of truth, yet they miss the point in important ways. Join Adam Hamilton in this 5-week Bible study to search for the whole truth by comparing common Christian clichés with the wisdom found in Scripture. The clichés include: Everything happens for a reason. God helps those who help themselves. God won’t give you more than you can handle. God said it, I believe it, that settles it. Love the sinner, hate the sin. The Leader Guide contains everything needed to guide a group through the 5-week study, including session plans and discussion questions, as well as multiple format options. The guide centers around the book, videos, and Scripture.

Adam Hamilton is senior pastor of The United Methodist Church of the Resurrection in Leawood, Kansas, one of the fastest growing, most highly visible churches in the country. The Church Report named Hamilton’s congregation the most influential mainline church in America, and he preached at the National Prayer Service as part of the presidential inauguration festivities in 2013 and was appointed to the President’s Advisory Council on Faith-based and Neighborhood Partnerships. Hamilton is the best-selling and award-winning author of Creed, Half Truths, The Call, The Journey, The Way, 24 Hours That Changed the World, John, Revival, Not a Silent Night,

Enough, When Christians Get It Wrong, and Seeing Gray in a World of Black and White, all published by Abingdon Press. Learn more about Adam Hamilton at AdamHamilton.org.

I actually ordered this by accident. This is the leader guide and I wanted the full book. But I got the book on my Kindle and had this to study with it. they made a great pair. Adam Hamilton does a good job of explaining his viewpoint and backing it up with scripture.

Good study but like many of the other Hamilton studies better. The class did not open up to discussing as easily with this study. I always read the book, use the video and leader discussion guide when using a Hamilton study. Each lesson makes a good 45-60 minute class lesson

Another excellent series by Adam Hamilton. The Leader Guide is very helpful whether you have a full 90-minute home study or a shorter Sunday morning lesson, there is plenty of material to use.

I used this for our adult Sunday School class. It is a little controversial, but generated a lot of discussion.

After leading the first two lessons for a youth class, I recommended this curriculum for our adult classes. And everyone loved the preview they got from looking over the youth leader guide. Adam Hamilton curriculum is always a dependable study for adults and youth. It goes enough in depth to keep new Christians involved without overwhelming them, and offers "practicing" Christians challenge to help them go more in depth.

I purchase the leaders guide, mistaking it for the actual book and was happy it was cheaper! When it arrived I felt foolish and quickly when to and ordered the hard copy. It turned out that our Church youth leader was going to do the book with her youth group and she would need the book. So everyone is happy now and enjoying this wonderful book by Adam Hamilton.

Yes. Is a great resource and study book

Very intriguing
