Rereading America: Cultural Contexts For Critical Thinking And Writing

Synopsis

Rereading America remains the most widely adopted book of its kind because it works: instructors tell us time and again that they've watched their students grow as critical thinkers and writers as they grapple with cross-curricular readings that not only engage them, but also challenge them to reexamine deeply held cultural assumptions, such as viewing success solely as the result of hard work. Extensive apparatus offers students a proven framework for revisiting, revising, or defending those assumptions as students probe the myths underlying them. Rereading America has stayed at the forefront of American culture, contending with cultural myths as they persist, morph, and develop anew. The tenth edition, developed with extensive input from users, features a refreshed collection of readings with a new chapter that introduces students to one of the most pervasive myths of our time: technological innovation fosters a more equal society. Also in response to instructors' requests for more writing instruction, there are now more questions that help students apply to their own writing the strategies used in the readings.

Customer Reviews

Gary Colombo is professor emeritus of English and ESL at Los Angeles City College. He has also published *Mind Readings: An Anthology for Writers* (2002), and with Bonnie Lisle and Sandra Mano, *Frame Work: Culture, Storytelling and College Writing* (1997), both for Bedford/St. Martins. Robert Cullen is professor emeritus of English at San Jose State University, where he taught a wide range of courses in writing, rhetoric, composition pedagogy, and American literature. Bonnie Lisle teaches in the UCLA Writing Programs. With Gary Colombo and Sandra Mano, she is the author of *Frame Work: Culture, Storytelling, and College Writing* (Bedford/St. Martins, 1997)."

Exactly what I needed and was super cheap!!!

I had to buy this book for a college English class, and I was dreading this book. I'm not a fan of reading, but I ended up enjoying it. This book is very interesting to read and gave perspective on different topics. I definitely plan on reading this book on my own time. This truly is a great book.

The book is very insightful. Recommend even if you are not taking a class.

Helped with my English class

like it and was cheaper then buying in in school

Gave me everything I Needed to pass my class with all readings included. Immediate delivery to kindle app and easily accessed anywhere with kindle.

Excellent!

Got it in time . Just before school started . The reading are simple and entertaining .
