Customer Reviews

I absolutely loved this book! Written by a professional counsellor, this writer truly understands how messy, and painful stepfamilies can be. As someone who has been through it all, Jurenko shares his experiences but then offers hope for those trying put together a stepfamily. I, myself, am a stepmom whose kids are now grown up, and felt emotional as I read his message of encouragement. This book is great for stepfamilies at all stages, from just starting to kids now grown. It is wonderful for helping you and your spouse reflect on what is going well and what needs to be improved.

Very practical and helpful in pre-marital counseling!

This book is definitely a great resource for any couple that will be involved in jointly parenting each others children.

THE MESSAGE BY JED MAKES IT COMFORTABLE TO HAVE GENUINE DIALOGUE WITH BLENDED FAMILY MEMBERS.
