Customer Reviews

High school students who have been diagnosed with Asperger's syndrome will find this a welcome tool to add to their support resources. The straightforward tone and achievable tips make this guide approachable for a wide range of readers. Both teachers and counseling staff would be well served to have this title in their collection. --Booklist

For teens with Asperger's, high school can be a time of great promise an opportunity to learn more about subjects their excited about, join clubs and activities that interest them, and make new friends but it can also be uncomfortable at times. This book provides high school students with Asperger's strategies that they can use to help themselves feel more comfortable in school, find friends and get along with peers, work productively with their teachers, and move toward greater independence.
