Monster Musume Vol. 5

Synopsis

Udder Madness!"Get married and I kill you." This was the letter sent to Kimihito, an ordinary guy living with a houseful of extraordinary beauties, by a mysterious writer known only as "D." Now it's up to Interspecies Coordinator Smith, Kimihito, and his ever-increasing menagerie of monster girls to find out who is behind the threatening letter before it's too late. The game plan? Use Kimihito as bait by sending him on a series of dates with monster girls. Along the way, several possible suspects emerge, each of whom has a "D" connection of one kind or another. Meanwhile, Kimihito's potential brides each begin acting strangely. Are they taking the fake dates too seriously? Or is something (or someone) far more sinister at work?

OKAYADO is a Japanese manga artist and author who is best known for Monster Musume.

The time has come. Each of the girls get to go out with Kirito, with a Mon squad escort for protection. But during each date, someone with a D connection comes out to interfere, but is any of them the one who sent the letter to Kirito. Then the Mon squad gets a chance at dating him (as the others did not have any luck and it was their day off), and each one of them comes up with entertaining issues (Tio with clothes shopping, Zombina with her parts falling off, and Masuno being herself). Can they find out who it is, before Kirito loses his head over something. This one was way too funny, but will give a warning the ecchi is amped up a lot so it may not be good for younger readers.

But seeing all the girls being treated like normal girls, despite killer trees, giant slimes girls, and a dolphin hugger shows that he sees them not as monsters, but girls with their own personalities. I have been enjoying this series and can not wait to the next one to get a "head" of the situation.

My favorite volume thus far! The death threats against Kimihito cumulate in a series of dates, in an attempt to provoke the mysterious 'D' to make their move. Multiple monster girls with the letter D as the first letter of their monster type come forth, but none seem to be the illusive 'D' who made the threats. The final date plan has Kimihito rotate through with Mrs. Smith's monster girl squad, and even with the little time they spend together his accepting nature of monster girls has each of them falling for him. Add another three girls to the harem everyone! In the end the suspected 'D' is finally caught, but we're left at a cliffhanger with Kimihito's life in danger.
