The Amy Vanderbilt Complete Book Of Etiquette, 50th Anniversay Edition

Synopsis

The Amy Vanderbilt Complete Book of Etiquette is the most authoritative book of its kind. Filled with practical advice for every occasion, business and pleasure, this book ensures that all of your social interactions will be handled with grace and confidence. This classic guide, first published in 1952, has been fully updated to reflect the concerns of the modern reader. The advice that has made Amy Vanderbilt the first name in etiquette remains pertinent today. Here is the final word on buying and using stationery, responding to dinner invitations, hosting a party, and attending religious ceremonies. The chapter of the most enduring popularity is, of course, the one on weddings. From addressing invitations to sending thank you notes, everything a bride needs to plan the perfect wedding is easily accessible. In addition to the time-honored guidance that has made this book a treasured reference, this updated edition contains information that addresses modern concerns of every kind. Here is advice on answering cellular phone calls in public, behaving courteously at the gym, and speaking at business meetings. Whether you need to compose an invitation, write a letter of condolence, address your senator, set a dinner table, or buy a gift for a foreign business associate, you will find The Amy Vanderbilt Complete Book of Etiquette practical, down-to-earth, and always reliable. Updated and revised by former White House Staff Coordinator Nancy Tuckerman and respected businesswoman Nancy Dunnan, this trusted book remains the most complete and authoritative guide to living well.

Customer Reviews

Since debuting in 1952, this has been one of the premiere etiquette guides. After Vanderbilt's

suicide, former White House staff coordinator Tuckerman and corporate executive Dunnan have taken up the banner and completely revised and updated this standard. Copyright 2000 Reed Business Information, Inc.

"Manners are the happy way of doing things, each one a stroke of genius or of love." --Ralph Waldo Emerson

Great reminder that in today's "pop" culture, everything and anything are not acceptable!

I often have felt that if everyone read a good etiquette guide and followed the suggestions, the world would be a kinder, gentler place. One can't do much better than Amy Vanderbilt and I bought this for my niece, who is going to be married soon and should have a good guide in her library. Every aspect of one's life works better with good manners.

I purchased this book for my younger niece because etiquette seems to be a thing of the past with the up and coming generation and she loved it

This is an excellent book! Etiquette seems to have become a thing of the past, particularly in the workplace. I have enjoyed bringing to attention several aspects of bad form to some of my colleagues, one of the most annoying ones which is interrupting someone while they are speaking. I'm considering giving copies as gifts for Christmas!

just what my daughter needed

Good source for a young man....teen age

Great for teenage granddaughter!!

Nice present for my 12 years old son. Good book with quality binding, seldom (rather never!) found nowadays for the newer books. Pleasantly surprised.
