Her stories have been published in anthologies internationally, and her work has been translated into more than a dozen languages. The Discovery Channel featured her in the TV special "Secret Stonehenge" doing a ritual at Stonehenge. She divides her time between Texas and Massachusetts.

I loved it. It was well written and very informative. This book was everything it claimed to be and more.

For a beginner, this is perfect. I bought this, along with the beginner's guide by her as well. Only a 3 because I'd hoped for more in depth spellwork for more than the basics of 'more money/love/luck/protection'. The beginning was essentially a crash course of what the first book had been, then spellwork following, as well as another crash course of holidays in the back. I loved the beginner's book better, but this certainly isn't a bad book. Just not exactly what I expected.

Well written and full of great info! And I love the cover art and the fact that it's printed on and not a dust jacket. Beautifully done!

Great beginners book

I am really happy with this purchase. The book is beautiful and has wonderful content.

I adore this book!
