Customer Reviews

Randall J. Hartman lives in Escondido, CA.

These crosswords are not that easy. Many of the clues ask for obscure information or require knowledge of things that are well above the average person's data base or experience. Sometimes answers are "words" I've never heard of or that don't comply with the rules of normal word construction or grammar. I have a college degree, am well-read and up on current affairs. I'd rate this puzzle to be for high intermediate solvers.

Not too easy, but not hard, just the way I like a crossword book.

An enjoyable and relaxing activity for me.

Great puzzles.

good challenge

Excellent

Not as challenging as the other books in this series. However, it was enjoyable.

Another fun crossword book to do! Thank you for the quick service.
