Along The Valley Line: The History Of The Connecticut Valley Railroad (Garnet Books)

Synopsis

The Connecticut Valley Railroad once carried both passengers and freight along the west bank of the Connecticut River between Hartford and Old Saybrook. Completed in 1871, today the railroad is known throughout New England for the nostalgic steam-powered excursion trains that run on a portion of the line between Essex and Chester. Until now the history of this popular tourist attraction has been the stuff of local lore and legend. This book, written by railroad historian and former vice president and director of Valley Railroad, Max R. Miller, provides the first comprehensive history of the Connecticut Valley Railroad through maps, ephemera, and archival photographs of the trains, bridges, and scenery surrounding the line. Offering tales of train wrecks, ghost sightings, booms and busts, *Along the Valley Line* will be treasured by railroad enthusiasts and historians alike.

Book Information

Series: Garnet Books

Paperback: 160 pages

Publisher: Wesleyan (September 5, 2017)

Language: English

ISBN-10: 0819577375

ISBN-13: 978-0819577375

Product Dimensions: 0.5 x 7 x 10 inches

Shipping Weight: 12 ounces (View shipping rates and policies)

Customer Reviews

“Max Miller’s mastery of the topic of the Connecticut Valley Railroad was honed through almost a lifetime of extensive analysis of original primary sources, the result of which is this book, the definitive study of this railroad’s crucial role in Connecticut transportation history.” (Laura Smith, Railroad History Archives, University of Connecticut) “An exhaustively researched and detailed illustrated history of this line along the Connecticut River, the lower section of which is now operated for excursion trains as the Valley Railroad.” (J.W.

Swanberg, author of New Haven Power, 1838-1968)“Along the Valley Line tells the story of one of New England’s most scenic and beloved railroad lines. Railroad historians, enthusiasts, and the many who have taken a ride on the Valley Railroad’s wonderful steam powered time machine, will find this book an engaging and comprehensive read.” (William G. Dulmaine, Jr. President of the New Haven Railroad Historical and Technical Association, Inc.)“Along the Valley Line fills a gap in the published history of the New York, New Haven and Hartford Railroad. I recommend this book to anyone with an interest in Connecticut railroad history or local Valley history. It deserves a place in your collection.” (Charles O. Dunn, editor emeritus of the SpeedWitch, New Haven Railroad Historical and Technical Association, Inc.)

MAX R. MILLER is a historian of the Connecticut Valley Railroad and the New York, New Haven & Hartford Railroad and a collector of documents, photographs and memorabilia. He was born in Poughkeepsie, New York, in 1936 and moved to Connecticut as a teenager. Mr. Miller was in railroad construction and worked as a diesel machinist while serving 38 years in the U.S. Army, rising to the rank of Senior Railroad Sergeant in the Army Reserves. He worked for the Valley Railroad from the 1970s to the 1990s, serving as vice president and director of the line, and for Amtrak and Conrail in the 1970s. He currently lives in Higganum, Connecticut.
