Customer Reviews

Hope wife will like this without having to start 12 more projects. Nice artwork and it even has all the days! - seriously. it is a calendar - whats to review

I always buy my MIL a quilt calendar at Christmas. I personally didn't like the quilts on the 2016 calendar, but she was happy so that's all that matters!

Have been buying this calendar for almost 10 years for Mom for Christmas. She always loves it and said this year that she might actually make one of the quilts rather than just enjoy the photos!

Beautiful calendar with many wonderful quilt patterns.
