I bought this book because of reading the other books on IP6 and found it to be amazing. Yes, I believe in the IP6 and Inositol as it is what I believe helped cure my cancer. there are numerous studies done and this book outlines lots of them. A great read for sure. I've already recommended it to many.

great book in many respects. knowledge of inositol ip6 and insight into modern medicine, pharma, and cancer industry, good knowledge to have
