A Century Of Pullman Cars: Alphabetical List

Synopsis

Alphabetized list of the names of passenger cars built and/or used in Pullman service including the names of cars of the Woodruff, Mann, Wagner and other sleeping car companies acquired by Pullman. This includes the 1859-1969 all-time list of over 22,000 car names along with columns showing car type, builder (owner), date built, Pullman Plan, and lot numbers. The Alphabetical List allows the reader to locate more detailed information, including renaming, rebuilding and dispositions which are included in later volumes. Illustrated with black and white photos. 319 pages.

Illustrated with black and white photos. 319 pages.

Excellent purchase. Perfect condition, on-time delivery, exactly as described.

This is only a list of most, if not all, Pullman cars ever built. But the list is accompanied with some floor plans and photos that make the volume more valuable. Subsequent volumes on more detailed

information of Palace cars, Heavyweight cars, and Lightweight cars would have been published (at least sometime in the nineties), but sadly, copyright problems has been preventing the author to release those would-bes. Anyway, this is a must for those who looking for information on Pullman cars. It is indeed a shame this one is now out of print.
