## Synopsis

A Dream Come True Katy Hart is thrilled about her future with Hollywood's Dayne Matthews. But as she plans a wedding and looks for a house on the shores of Lake Monroe, she receives tragic news. Now everything about the future they planned together is hanging in the brink. Only a miracle can help them find their way through. A Public Struggle Now Katy and the Baxters must travel to Los Angeles and sort through their options. While paparazzi open fire on the Baxter family, Luke Baxter helps field requests from the media. At the same time, he must wrestle with feelings that have troubled him for nearly a year. A Family's Undying Love Ultimately, the Baxter family must pull together one last time in an act of service, a labor of love to help Katy and Dayne find what they've always longed for - a chance at forever. --This text refers to an out of print or unavailable edition of this title.

## Customer Reviews

Ashley, Luke, Brooke, Erin, Kari and Dayne learn more and more about each other. These characters are so well developed and you learn something new with every book. These books are all exciting and challenging to read. They are the kind you can't put down. You can't wait to read the next one to see what is happening next. Karen Kingsbury, pulled out all the stops with this series. They are out of the box and exciting, you learn so much about faith and family. You learn that even people, you believed to be perfect, had flaws. All people are sinners and all of us make mistakes. Love, faith and family are the most important things in life, especially faith.

Wonderful book and it really makes you think about the choices we make in our lives. Do we think of the impact on others before we think about our wants or what is best for me. This is part of a series and all have been really good. I have read several books by this author and they are all so very good.

It was amazing to see how relationships are healed and the end of the book Karen you mentioned a friend whose relationship is still broken, and you gave it to God. That is exactly what I need to do. Nothing more I feel can be done, it is in God's hands. But I continually offer that person daily up to God and pray for him.

I really enjoyed the whole series. Couldn't wait to start the next book. I love the Bible quotes relating to possible real life issues and the story line.

I love this series. There were times when I wanted to strangle Luke and Dayne for that matter. I knew it would all work out in the end. I love the way you have kept the characters true to themselves. Katy's undying love for Dayne was beautiful. Many people would have listened to the doctors and gone home and continued to pray, but not her. All of their faith is a model we should all follow. This family is so blessed so many times. They let their love show in what they pulled together to get the house ready. A whole community showed Dayne that he belonged. I loved this book and have started the next series. Can't wait to see them get married. Thanks for another wonderful book full of inspiration to live by in our lives every day!

Like the other volumes in the series, the author is able to narrate with imagination and ingenuity, interlacing the quotes from the bible to fit the situation in which the characters are engaged at the time. The author's concrete description of each of the characters makes them knowable and believable. The reader comes to care for the outcome of the narrative. The reader comes away from a reading strengthened in faith and hope and love even facing difficulty challenges in the reader's own life.

I really enjoyed the books. I never heard of the author until a friend told me about her. I went and got the books for Series 1 and downloaded Series 2 books on my Kindle Fire. Everyone of the books left you wondering what was going to happen next. They were christian books which I love reading christian books. Everything seemed real. The books are so addictive I just couldn't put them down. I

was reading everyday. I wasn't getting any housework done for reading these book. I thought my husband and son were going to put me out because I was busy reading and doing very little of anything else. So I just had to take a break from the next series of books. I will be brave again to start on the next series but it will be in the fall maybe. I enjoyed them all.

Great Christian fiction
