The Truth We Bury: A Novel

Synopsis

In this intense, multilayered domestic drama, two families become entangled in a web of lies, secrets, and betrayal that results in an act of violence so shocking their love may not survive. On the outside, Lily Isley's life seems perfect: a wealthy husband, a ritzy gated community in Dallas, and a handsome son, AJ—a decorated marine about to be married to his love, Shea. But when a bridesmaid is murdered in AJ's apartment and he can't be found, Lily's world collapses and a long-held family secret is at risk of exposure. Dru Gallagher's life took a different course. After her ex-husband, suffering from post-traumatic stress, threatened her and her daughter, Shea, with a shotgun, Dru was forced to leave her marriage and forge ahead as a working-class single mom. Now, the anger she sees in war veteran AJ's eyes is heartbreakingly familiar—and makes Dru deeply afraid for her daughter's safety—especially after Shea's best friend and maid of honor is found dead. With a killer on the loose and time running out, Lily and Dru, two very different women, unite in a single goal: to save their precious children from scandal, even from death. But will the mothers' protection be enough, or will the fateful secret they expose—and the truth it reveals—destroy every hope of love?

Customer Reviews

A interesting book, murder mystery..love and family conflicts..it's well written and keeps you interested...keep up the good work Barbara Taylor Sissel.

If you're looking for a fine literary piece, this is not it. If you want something that you won't want to put down, this is your book. Great read for that long plane trip.

A very good book with different families involved in a tragedy and how it worked its self out and with a surprise ending

This book had a great plot with lots of twist and turns. I especially liked the way the author created a bond among the mothers and their suffering for their children.

first book I have read by Barbara and it was a good read unusual plot kept me guessing till last few chapters.

What happens when a mother must protect her child? And what if that primal need is taken away from her? Barbara Sissel weaves a tale of suspense and terror, of love and loyalty and in the end, a twist that questions everything! I truly enjoyed The Truth We Bury, another thriller I won't forget!

Great story line, kept me interested till the end. Narration was good.

Liked the first three novels better.
