VCS1 - Cello Etudes Level Preparatory Thru 4 - The Royal Conservatory

Synopsis

This inaugural edition of the Cello Series offers a sound and progressive collection of Repertoire, Recordings, Etudes, Technique, and Orchestral Excerpts for the aspiring cellist. With an expansive representation of musical styles from all eras, this series addresses the need for a single collection of quality educational materials to foster musical development and instill appreciation of the richness and diversity of music written for cello. Supporting a balanced course of study, this series organizes repertoire into nine volumes from the Preparatory Level through Level 8. Each level offers music from a range of styles and compositional eras, including standard literature, new arrangements of familiar tunes, and music written for cellists, by cellists. These selections provide the flexibility to choose pedagogically appropriate material suited to each individual, and to motivate students to fully develop their musicianship and technique. Examination requirements for all levels are listed in the RCM Cello Syllabus, 2013 Edition.
