## Synopsis

Sassy Sayings, Snarky Sarcasms, & Saucy Swears is a collection of 30 uncensored adult coloring pages for you to relax and color with your bad-ass self. It is also a perfect gift for your foul-mouthed friends or family. These feisty favorites have been revised from the first edition and now they've been compiled into this second edition for you to enjoy while unleashing your sarcastic side. Each coloring page is one-sided so you don't have to worry about ruining the back side of your coloring pages if you use markers or other wet mediums. The book includes a color tester page, 4 bonus pages, and sample pages from Cristin's other books. There is a variety of original, completely hand-drawn designs and sayings from simple and easy to intricate and challenging for all skill levels or to suit your mood. It includes favorites such as "If It Requires Pants or a Bra, It's Not Happening Today" as well as the best seller from Cristin April's shop "And Not a Single F\*ck Was Given That Day". You can preview Cristin's work, download free coloring pages, or purchase single pages at [www.CristinApril.com](http://www.CristinApril.com). Adult coloring books are known to reduce stress, calm your thoughts, relieve anxiety, and even help with pain management. Coloring can be used to practice mindfulness and meditation as well as a way to relax. With these sassy and sweary sayings, it makes stress relief much more fun! If you have a bit of sass in your attitude, you will love this coloring book for grown-ups and you will surely get a giggle or two out of it. ## Customer Reviews

Indie author, Cristin, is a self-taught artist who loves lettering, sarcasm and doodling. She has combined these interests into hand-drawn coloring pages for others to enjoy. Cristin resides in upstate New York with her husband, daughter, two rescue dogs, and a lot of coffee and wine. When she's not working, she can be found still working.

This book is so much fun! Cristina is such a great artist! Order yours today! You will have so much fun & relaxation!

Cristin is a very talented artist. I have the PDF of the first book like this and LOVE IT so I just had to have this one. It's remastered and better than ever. The images are SASSY, SNARKY, and SAUCY just like the title says and just like Cristin herself. The paper quality is good, it's your normal /createspace paper, which I personally like. I highly recommend this book to everyone 18 and older!

I have purchased several snarky coloring books and this one is my least favorite. I only found several pages funny but thought most of the pages were lame. Unfortunately, this book is sitting in a drawer at this time.

this has been a fun thing to do. if you're offended by the f word, don't buy this. but if not, I would definitely recommend for some brain dead, fun, relaxing time whether on a boring conference call or you just need a break from life.

Revamped and even better than the first, just buy it you won't be disappointed at all! If you are, there's something wrong with you, go see therapist. Who will prescribe this book for you anyways..... So save yourself a lot of money and buy it now!!

Love the snarky quotes to color! Will be buying one for my daughter, so she can color with her kids.

I bought this as a gift for a friend and she enjoyed it very much.

Gave as a gift.
