# Men In This Town: London, Tokyo, Sydney, Milan And New York

## Synopsis

From five distinct cities around the world - New York, Tokyo, Milan, London and Sydney - photographer, art director and blogger Giuseppe Santamaria brings together a unique photographic collection showcasing the styles of the modern man. Giuseppe seeks out the everyday man in each city whose dress sense speaks volumes about who they are. Alongside striking images captured from the streets, Giuseppe has chosen a handful of men from each city with a particular, distinct style and photographed them in their various attire, as well as profiled them about their particular approach to fashion and their sense of the menswear scene today.

“Men In This Town Highlights Male Beauty. A new photo book provides over 250 pages of delicious eye candy from Australia to Italy. Giuseppe Santamaria’s new book, *Men In This Town: London, Tokyo, Sydney, Milan, New York*, is 256 pages of the world’s best-dressed men, strutting in the world’s most glamorous cities. Santamaria’s pictures show what styles proliferate where: e.g., tailored suits in London, rock style in New York, fitted jeans in Sydney. The fashionistas show that male beauty and fashion don’t have to take a back seat to the ladies; we can all strut like peacocks.” OUT Traveler [one of] the best of the new glossy fashion book hitting shelves this season. *Men in This Town* is a uniquely presented portrayal of the modern man’s sartorial style. Through interviews and observations, Santamaria allows us to get to know a variety of creatively dressed

men in their natural habitats. Candid street shots capture the eccentric and intriguing trends of each region, taking us on a journey across the globe to explore how each culture's traditions impact the way men dress. Kilgore Trout's "Featuring profiles of menswear enthusiasts from each of the five showcased cities, Men In This Town masterfully gives a face to the stylish individuals...paints a vivid portrait of men's fashion across the globe, ranging from timeless classics like a crisp button-ups and blue jeans, to tailored eccentrics, sporting butterfly prints and polka dot blazers. Santamaria doesn't shy from reality; he captures the favored styles of the cities' inhabitants and, in doing so, captures a piece of the culture of each urban center. This photographic volume will appeal to men's fashion enthusiasts, and offer them an organic flavor of the dapper everyman and the city he inhabits." Life + Times

Toronto-born Giuseppe Santamaria has been photographing stylish men and women for many years, but most recently in his blogs *Men In This Town* and *Women In This Town*, which have a dedicated following for his particular understanding of street style and more than 380,000 followers across the US, Canada, UK, and Australia. Giuseppe also has a regular street style column and is a regular contributor to Details.com.

Wonderful and inspirational book that features men from all walks of life.What I really like about Guiseppe Santamaria's book MEN IN THIS TOWN: LONDON, TOKYO, SYDNEY, MILAN AND NEW YORK is that he photographs men of different colors and ages, and with different styles of dress, so you aren't just looking at guys wearing 3-piece suits.There are several spotlight interviews with a few guys in the book, but for the most part this book has limited text descriptions of the outfits.The pages are printed on thick, but matte pages and it comes with its own bookmark.

I got this gift for my fashion-conscious cousin at a gift swap. Not only did he love it, but everyone thought it was really cool, and it was passed around the whole night.

Amazing book from start to finish. I've bought all three in the series and look forward to more!!!

excellent. well packaged.

great book

The book was a delight to look through. It was what I expected, however, for some reason I thought it would have been a bit larger, more photos. It was well priced and came ahead of schedule. Will certainly order more items in the future.

Bought is for a friend and ordered another for myself. I thought this was a fun, cool stylish book!
