I love it, but I wish that one could look at the pictures while using the date page. The texture of the book's cover and interior is superior and a delight to one's fingers.

Wife is an artist and loves the designs in the calendar

Beautiful art work and plenty of space for notes. I like the pocket inside front cover to store coupons and notes.

Well made and works good with all pens for writing engagement. Beautiful art by Kinuko Craft was very happy to find it in a planner.

Lovely planner, beautifully printed. Of course, I would always love to see a little more art!

Bought for my granddaughter and she loved it.

Beautiful

Beautiful art, like the way it's organized (same as last year) BUT same price, cheaper and more transparent paper! Booo! Will probably not buy again next year.
