# First Lessons Tenor Banjo

## Synopsis

The great sound of tenor banjo is a cornerstone of Dixieland and traditional jazz. Using classic favorites, Joe Carr teaches the basics of accompaniment, basic melody and the popular chord melody style. Chords and melody are combined to produce professional sounding solo arrangements. This book/audio/video combo includes play-along practice tracks that speed up the learning process. It doesn't get any easier! Includes access to online audio and video.

## Book Information
