Grade Level: Kindergarten - 2

Customer Reviews

This is a great easy reader with a simple storyline explaining life as a police officer. I bought this book for my 4-year-old son, as his dad is in the process of becoming a police officer. I love that it gives him a glimpse into what police officers do each day. The pictures are bright and engaging and the storyline, while simple (as with most easy readers) is still interesting. The DK brand doesn't disappoint here - another good product, as I have come to expect.

My grandson loves the book.

Purchased for my 5 year old son for christmas. My husband and I both work in law enforcement and it is my son's dream to do the same...he loves this book, he carries it around rolled up in his duty belt.

Perfect book for my kindergarten grandson who wants to be a policeman. He loved it and the reading is easy.

Easy to read with good pictures for lower grade primary grade students..

There are big words in this stage 1 reader.

Donated to the local elementary school library in memory of a family member who had been a wonderful police officer and passed away.

Very cute story. Love that it breaks stereotypes and offers a glimpse at an officer's personal life. Good value for the \$.
