I love these book series! Please make more soon. Btw if you play Roblox, what's your username?
Mine is cuteskittyprincess56! Please add me on Roblox.

This is da best book ever I have all the whole series although some of the grammar and stuff is
wrong

This book does not continue with the last book about pokemon brick bronze, I am kind of
disappointed. I also hope that you could make a book for Phantom Forces

The book is able to keep the attention of my 11 year old ADHD son. The concern for me as a parent
is that the grammar is not always correct.

I really like this book because lumber tycoon 2 is my favorite game but the ending was very harsh
but still it was very good.
