great

The content itself is fine, but the book came damaged. It was during the binding process I presume. There are perforations and other damage in the middle of the pages.

Was pleased was a gift

Grandson, age 3, is into firefighters, police, etc. and enjoys learning about them. This is one of several books on those subjects that he requests I read to him.

Great book

My son is a firefighter/paramedic, so I sent this book to my 2 yr old grandson to identify with the things his father does. My son says he wants to read that book EVERY night before bed. He asks for it by name and knows all the equipment, tools, etc. that a firefighter uses.

I loved it. My 4 year old loved it. Just as a reminder though, this is a "level 1" book. So, maybe not the easiest read for a little one.

WE ARE A FIREFIGHTER FAMILY AND THE CHILDREN LOVE THIS BOOK - WE ALL DO! THIS IS A BOOK ALL CHILDREN WILL ENJOY! IT IS VERY INFORMATIVE AND HAS WONDERFUL ILLUSTRATIONS! THANK YOU SO MUCH!
