## Customer Reviews

Tim Storey is practical, yet spiritual. I haven't been disappointed. This world is full of good ideas, but it's the God ideas that I'm after. This book helps point the way. I would highly recommend it.

Excellent book...

Tim Storey does a remarkable teaching on the difference between a good idea and a God idea. God idea's always come to pass. There is no guess work about your future. You always hit the mark when you have a God idea about the area you are seeking divine guidance in. Tim Storey encourages the reader to rely on 10 proven steps to enhance their relationship with the Lord as well as learning to lean on the Holy Spirit for divine guidance in every area of your life Tim Storey illustrates each step by real life drama that he has encountered and the God idea that became manifested during that situation. This is truly one book that you will find yourself reading over and over again and each time applying the new revelation received. This book is awesome!!

This book will certainly put your life on track the way God wants it to be! If you have ever wanted to make things happen then this book will teach you how to seek God's plan for your life.
