The MacGregor Grooms: The MacGregors

Synopsis

Three MacGregor grandsons are heading for the biggest day of their lives in this heartwarming collection from #1 New York Times bestselling author Nora Roberts. Fresh from the success of sending his granddaughters down the aisle, Daniel MacGregor turns his matchmaking sights on his stubbornly single grandsons: D.C., Duncan and Ian. And though each man will put up a good fight, they'll be no match for the women chosen by Daniel to tempt and tease them all the way to the altar. Roberts has a warm feel for her characters and an eye for evocative detail. •Chicago Tribune A NORA ROBERTS CLASSIC • AVAILABLE DIGITALLY FOR THE FIRST TIME

Customer Reviews

This is one of my favorite series by Nora Roberts. I was downsizing my book collection and buying my favorites to keep on my kindle and I was really happy to find this available in the electronic version.

No one writes handsome men better than Nora Roberts. IÃƒÂ¢Ã ¬Ã ¢ve lost count on how many times IÃƒÂ¢Ã ¬Ã ¢ve read these MacGregor books. Every so often IÃƒÂ¢Ã ¬Ã ¢ll have to have a MacGregor fix and I will reread the Brides and then the Grooms [second generation MacGregors]. Other times IÃƒÂ¢Ã ¬Ã ¢ll read about their parentsÃƒÂ¢Ã ¬Ã ¢ romance which is another set of books that are also fun to read. The MacGregor is the patriarch of his family and feels it is his duty to see that everyone [first his children and then his grandchildren] finds their perfect match and gives him [and his wife of course] grandbabies and great-grandbabies. He is hilarious in his machinations and schemes in matchmaking.

The MacGregors is by far my favorite series by Nora Roberts. I have read the entire series numerous times and can never get enough of Daniel and his family. I wish we could get more stories about the rest of the grandchildren :)

I love all the books in this series wish there were some new ones.

Nora comes through again with great stories.

ALL NORA ROBERTS BOOKS ARE WONDERFUL

I must admit to being a huge Nora Roberts fan since I was given one of her 'big books' as a birthday present six years ago. Since then I've filled a book case with all of her 'big books' and many of her series. The opportunity to access further stories, now that they're available for my kindle, is great. Nora has developed a fairly simple formula for those who like to read romance stories with a happy ending. This book finds Daniel MacGregor interfering in the love lives of his three grandsons. The story briefly reintroduces Daniel's children, read about in earlier books in the 'MacGregor Series'. It's nice to make a connection some 25 or so years later. The MacGregor Grooms is an easy and enjoyable read with a predictable plot... and a happy ending!!

Love Nora Roberts
