Surf Travel: The Complete Guide: The Planet's 50 Most Thrilling Surf Destinations

Synopsis

Surfers live to travel. The quest to find perfect waves is something that grips surfers of all abilities, from novice to expert. Now, from the publishers of leading British surfing magazines *Carve* and *SurfGirl*, comes a new book covering every aspect of travel and exploration: where to go, where to stay, what equipment to take, how to get in shape for your trip, how to stay healthy abroad, and how to make the most of your time away. Packed with information and useful tips, as well as awesome photos, *Surf Travel* will inspire surfers of all levels to load up their boardbags and head off to find the waves of their dreams. The main section of the book focusses on the classic surfing destinations such as Queensland's Gold Coast, Hawaii's North Shore, the Maldives, the Mentawai Islands, Bali, the Canary Islands, Costa Rica, Barbados, Puerto Rico, Sri Lanka, Fiji, Tahiti, Southwest France and Southern California. Each location is described and dissected, with insider tips about how to score the best conditions. Several less-well known areas are also included for experienced surfers who thirst for pristine, uncrowded waves. Surfers of all levels will benefit from the range of useful tips on offer, whether they're going on a road trip to California, a camping trip to France, or a boat trip to Indonesia. All kinds of priceless advice is offered by a writing team of experienced travellers who've visited scores of countries and put in the hard yards. *Surf Travel* features more than 250 colour photos by some of the world's top surf photographers including Andrew Shield, Alan van Gysen, Pete Frieden, Mickey Smith, Roger Sharp, Will Bailey, DJ Struntz, Simon Williams and Tim McKenna. The book also includes a comprehensive directory of travel resources where surfers can find information about the best surf camps, travel companies, and operators around the world.

Customer Reviews

Chris Power is the former editor and photo editor of CARVE, Britain's leading surfing magazine. An accomplished photographer, he's travelled to more than 17 countries on surf missions over the years. He lives near St Agnes in Cornwall.

Great book to dream by. But if you can make some of these trips then some practical info. Photos are great

Surf Travel is very informative with comprehensive up to date information. The photographs of the various locations are excellent. A very good resource for any surf traveller.

My son surfs and loved this book !

SURF TRAVEL is the ultimate guide and a must have in any surfers library. The book contains so many details and hidden gems that a true surfer cannot just read it once, instead you will constantly refer to it for information on surfing and general travel tips. It is not just a list of spots (as most surf guides are) SURF TRAVEL has information on exercises to prepare you for your trip, local lingo and even local types of beer. Well worth owning.

This book really is essential to any surfer planning a trip. It describes some absolute beauties when it comes to surf spots and the pictures alone are enough to get you amped for your next trip. Provided all the advice and info needed to avoid getting into any trouble when in foreign land, definitely a must have for the adventurous travelling surfer.

This is a real nice travel book with a ton of info about dream surf destinations. Its worth getting for the photos alone (which aren't shown when you click on the "Look inside" feature here which only shows the first few intro pages....the main section is actually stacked with sick photos). Samoa, Maui, NZ, Tahiti, The Maldives....yeah, I wanna go to all those places please!! Ha, someday!! Nice, upbeat book with awesome photos.

Start packing your board bags. This book is full of useful information and stunning photos of the best

waves in the world. The Complete A to Z of Surf Travel will help inspire you to go on the surf trip of your dreams. Includes all the resources you need to know about surf travel and equipment, surf camps, plus lots of other useful tips. Do not plan a surf trip without this book!
