An Act Of Love: One Woman's Remarkable Life Story And Her Fight For The Right To Die With Dignity

Synopsis

Marie Fleming became a household name in Ireland with her trail-blazing campaign for the right to die with dignity, when she took a landmark case against the Irish State to lift the ban on assisted suicide. But behind the Multiple Sclerosis sufferer's brave fight lay a remarkable life story known to few. From her young years growing up in Donegal, as she struggled to keep her family together after her mother left, to her battle to keep her own baby - born when Marie was still a teenager - to her later quest for education and self-betterment against the odds, *An Act of Love* is an unforgettable story of ambition, of sorrow, and of life lived to the full. In it, she also describes coming to terms with MS and the ordeal of her later court case. Completed just before Marie's death in late 2013, most of all, this is a story of the power of abiding love.

Customer Reviews

This is a story of courage and of spirit. Of an absolutely terrific woman who always took a principled stand even when the massed forces of a venomous oligarchy stood against her. She was a true Irish heroine. A credit to her family, her children and to the love of her life. May she rest in peace and may her loved ones find solace in the fact that this truly powerful memoir will inspire others to

always strive for justice. Marie: I would have loved to have met you.

I unfortunately haven't read the others. (I also belong to a local bookclub plus my husband and I also buy books from our local book store. Always lots to read, but unfortunately don't always have enough time to read.

A remarkable account on the strength of the human spirit and surprisingly well written for someone who is not a professional writer

I found this book so interesting I just could not put it down she was such a strong person it took allot of courage to tell her story.

What a woman,, she was such a fighter , ever before her illness. Wonderful support from a wonderful family .
