Anyone who likes Colorado wilderness photography should know John Fielder's work. I sent this book to a British friend living in Abu Dhabi to entice him to visit us in Colorado. He's planning his trip for next summer.

Typical John Fielder work, beautiful pictures

Great gift

I just completed a workshop with him and the book is as good as the workshop was. He gave his all with our group and this shows in the quality of the book

And all of them are from the world famous John Fielder!

Once again, John Fielder has captured the beauty of Colorado with perfection... never a disappointment!
