All The Possibilities (The MacGregors)

Synopsis

#1 New York Times and USA Today bestselling author Nora Roberts enchants again with this beloved classic about the passionate and headstrong MacGregor family. Creative, compelling, unconventional—Shelby Campbell was unlike any woman Senator Alan MacGregor had ever known. The cynical politician found himself falling in love with the spirited beauty, though she kept him at arm's length. But Alan was determined and nothing was going to keep him from getting what he wanted—not even the centuries-old feud between the MacGregors and Campbells.

Customer Reviews

Nora Roberts is the number-one New York Times bestselling author of more than 200 novels, including *The Collector*, *Whiskey Beach*, *The Witness*, and many more. She is also the author of the bestselling futuristic suspense series written under the pen name J. D. Robb. There are more than 500 million copies of her books in print.

IT'S NORA ROBERTS, COULD IT POSSIBLY BE BAD??? NO. THIS SERIES (MacGREGORS) IS ESPECIALLY GOOD, THE CHARACTERS ALL WEAVE IN AND OUT OF EACH STORY BUT EACH STORY CAN STAND ON ITS OWN. THIS SERIES COVERS TIME AND FAMILY MEMBERS AND AS YOU GO THROUGH EACH ONE YOU MEET NEW PEOPLE, DIFFERENT GOALS, BACKGROUNDS STORY LINES. YOU WILL NOT LOSE INTEREST, YOU WILL LOOK

FORWARD TO THE NEXT AND WELCOME BACK THE PEOPLE YOU SO ENJOYED. EACH STORY IS VARIED ENOUGH THAT IT IS NEVER REPEATING THE SAME STORY OVER AND OVER - EACH IS GREAT ON ITS OWN.

I'm a new fan of this author and have been quite enjoying this series. I found the h in this story hard to cope with and I wondered if the H wouldn't have been better off without her. Harsh I know but she just wasn't willing to take a chance on him and he was just so wonderful. Nice story though and nice to catch up with the other characters. Have already downloaded the next in the series.

Downloaded the early McGregor books to read again ebook style - having read the original series in the 1980's and a few times since still own some in paperback. I knew the twists that were coming but whether it was the little gift of strawberries or the stress of DC, the story still resonates and the family is still a wonderful family to read about, like old friends.

Best book...

It is terrific, I loved the characters and the whole MacGregor clan just warms my heart. It is the ideal that many would like and many have enjoyed. The character development is superb, I feel like a part of the family.

Always enjoy Nora's books she is a great story teller and keeps the reader involved from beginning to end. I recommend reading this.

Another great live story about love at first sight and the strength that family bond provides to decision making. I loved this one.

Love the series. makes you feel like your part of the family , the romance,the arguments. Feels like belonging to family.
