The Talent Contest: The Final Chapter Of The Memoirs Of Billy Shears

Synopsis

The final chapter of the book that set world records, *The Memoirs of Billy Shears*, is best appreciated in context of chapters that precede it. We highly recommend that you read *Billy's Back!* before reading either *Beatles Enlightenment* or *The Talent Contest*. *The Talent Contest* provides the lyrics to 28 previously unrecorded songs that are offered to the public for recording. The best submissions will compete for inclusion on CDs. Most of these new songs reflect the content of the preceding 65 chapters of the book, lyrically adding further insight to what you have already read. Whether you enter the contest and launch your recording career, or simply enjoy the poetry of these 28 songs, this final chapter is a bit of a concluding gift for the readers.

Customer Reviews

I purchased this addendum to the *Billy's Back* story not because I'm going to enter the contest but because I wanted to browse the lyrical content which is clearly a glimpse into William's psyche. Enlightening, thoughtful and ultimately hopeful, you'll enjoy this trip through the emotional roller

coaster of the man who sacrificed his identity and life in order to be the man we needed him to be. I recommend it highly.

Great book! Great Price.
