Rosa Candida (French Edition)

Synopsis

Roman traduit de l'islandais par Catherine Eyjolfsson. Â Prix des libraires du Québec 2011 Â catÃ©gorie roman hors QuÃ©bec. Â Le jeune ArnljÃ©tur va quitter la maison, son frÃ©re jumeau autiste, son vieux pÃ©re octogÃ©naire, et les paysages crÃ©pusculaires de laves couvertes de lichens. Sa mÃ©re a eu un accident de voiture. Â Le jardin et la serre Ã©taient sa mÃ©re adorÃ©e ; elle y cultivait une variÃ©tÃ© rare de Rosa candida Ã© huit pÃ©tales. C'Ã©st l'Ã©qu'ArnljÃ©tur aura aimÃ© Anna un petit bout de nuit, et l'Ã©aura mise innocemment enceinte. Â En route pour une ancienne roseraie du continent avec dans ses bagages deux ou trois boutures de Rosa candida, ArnljÃ©tur part sans le savoir Ã© la rencontre d'Anna et de sa petite fille, l'Ã©-bas, dans un autre Ã©den oubliÃ© du monde. Â D'Ã©un rÃ©alisme sans affÃ©terie, tout l'Ã©art d'Ã©Audur Ava rÃ©side dans le dÃ©calage de son personnage, candide, cocasse et tendre Ã© la fois. Cette insolite justesse psychologique s'Ã©panouit dans un road movie dont le jeune homme sortira plus ingÃ©nu que jamais, avec son angelot sur le dos. Un roman lumineux. --This text refers to the Mass Market Paperback edition.

Customer Reviews

Audur Ava Ã©lafsdÃ©ttir est nÃ©e en 1958 Ã© ReykjavÃ©k. Rosa candida a Ã©tÃ© largement saluÃ© par la presse et la critique tant en islandais que dans sa traduction franÃ§aise et a reÃ§u le Prix des libraires du QuÃ©bec 2011 dans la

catégories romanes hors Québec. --This text refers to the Mass Market Paperback edition.

a charming story. 'good to hear things from Iceland. you wonder where it's all leading to and then the spiritual or symbolic meaning which comes out at the very end leaves you with big grin.c'est une histoire charmante et un plaisir de lire quelque chose qui vient de l'Islande. Tout du long on se demande o   tout cela nous am  ne, mais l'aboutissement avec son sens symbolique et spirituel profond nous fait vraiment chaud au c  ur.

This is a wonderful coming-of-age novel about a young Icelandic man, Arnlfur. He doesn't want to go to university, hates the work he's been doing on fishing boats, and decides to follow his dream. He takes his savings and a few cuttings from the rose of the title (grown in a greenhouse by his mother, who has recently died) to a country to the south. There, the abbot of a monastery in a remote town has agreed that Arnlfur can set about restoring the monastery's medieval rose garden from the plans in the old manuscripts. Arnlfur sets off via plane and then a rickety old car, navigating some surprises on the way. He leaves behind his father, his autistic twin brother, and his seven-month-old daughter, the unintended product of a one-night stand with an old school friend, Anna. Not for long: father and brother stay put, but Anna and the baby show up again, and our hero calls upon the wisdom of a monk with a monumental knowledge of world cinema to help him think through the situation. Unsentimental, funny, thoughtful. A great read.
